

Paws & Pals Agility Field

Concho Kennel Club

Equipment Usage Agreement & Waiver of Agility Activity Liability

www.ConchoKennelClub.org

I understand that by participating in any **Agility Activity** (also known as Training, Practice, Special Events or Individual or Group Usage), **I accept the following:**

That the Agility Activities are held on private property (that does not belong to the Concho Kennel Club.) and are on "Tillery Property."
That the Agility Equipment is owned by the Concho Kennel Club.

That the dog sport of agility is potentially hazardous to both dogs and people. The dog needs to be trained on basic commands of sit, down, come & stay. Agility involves both on-leash and off-leash dogs. A simple buckle collar is allowed when dogs are on equipment. No shock or prong collars allowed.

Self-Cleaning Facility / Pick up after Your Dog

Safety First / Wear appropriate shoes / Bring Water / Rest!

Be Patient if Others are in the Ring area walking course / Only one at a time for full-course runs

Terrain & Equipment.

Agility involves the physical act of walking and running over uneven, rough and hard terrain for both dogs and people. Agility involves running near and around agility equipment that may have rough edges, protruding parts and some of the equipment is off of the ground (as high as four and five feet) with no mats underneath. It is not uncommon in agility for people to fall over the equipment, run into the equipment, fall due to slippage or trip over a dog. It is not uncommon for dogs to fall over pieces of equipment, run into the equipment, fall and slip (both on the ground and off of the equipment), strike jump bars and trip over their handlers. Agility involves working in an unsecured fenced field with roads and vehicle traffic in close proximity of the field. Agility involves working in a field with unmarked irrigation ditches. While efforts have been made, you may encounter stickers and rocks. For some of the above reasons, equipment is NOT for CHILDREN (or Adults) to play on. No contact obstacles are to be moved; permission is required for the moving any other.

Parking.

Agility involves driving and parking a vehicle in an unmarked field with other vehicles where backing up a vehicle requires caution.

Fees.

A donation to the Concho Kennel Club may be required per dog/per hour/Groups. Check with representative. No fee for club members.

Dog Aggression & Behavior.

Be aware that dogs are animals and may exhibit aggression (or curiosity) to other dogs and people. In the event that aggressive actions by the dog are seen, you may be asked to leave if others are present and you have not reserved the agility field for private use. No continuous barking is allowed.

Health.

It is not reasonable, feasible nor realistic for the Concho Kennel Club or the property owner and it's representatives to have knowledge of and compensate for any medical conditions that the people or dogs may have that may be triggered or exacerbated by physical exertion and/or temperature extremes. Therefore, it is the participant's responsibility (or in the case of minor children – their parent's responsibility) to obtain medical or veterinarian approval for their (people and dogs) participation in the activity.

WAIVER, ASSUMPTION OF RISK, AND AGREEMENT TO HOLD HARMLESS

I agree, as an Agility Activity participant or as the parent/guardian of a child participant to hereby waive and release the Concho Kennel Club, Tillery Property, it's members and the private property owner from any and all liability of any nature for loss, injury, death, disappearance, theft, harm, illness, expense, hardship and/or damage which I, my child(ren) (if participants), my vehicle and/or my dog may suffer. I further agree to indemnify and hold harmless the same from any and all claims, or claims by any member(s) of my family while on the property where the Agility Activity is being held and/or the surrounding property thereto as a result of any action by any dog, including my own, injury, illness or death.
