AKC COMMUNITY CANINESM

The Advanced
Canine Good Citizen[®] (CGCA) Title

AMERICAN
KENNEL CLUB[®]

AKC COMMUNITY CANINESM

What is It?

AKC COMMUNITY CANINESM

AKC Community CanineSM is the third and most advanced level of the Canine Good Citizen Program. In AKC Community Canine, dogs can earn the CGCA (Advanced CGC) title.

The goal of AKC Community Canine is to test the dog's skills in a natural setting. For example, rather than the dog being tested in a ring, in AKC Community Canine, the "walks through a crowd" test item will involve the dog walking through a real crowd at a dog show, on a busy sidewalk, at a training club or in a local park.

WHAT YOU NEED TO BEGIN

To earn the AKC Community Canine (CGCA) title, your dog must have:

- 1) a Canine Good Citizen test on record at AKC. CGC is a prerequisite for the AKC Community Canine (CGCA) title.
- 2) an AKC number, or PAL number, or AKC Canine Partners number. We attach titles to a dog's number at AKC. All dogs, including mixed breeds, can earn titles. See: images.akc.org/cgc/number.pdf

How It Works

You can attend a basic training class to teach your dog the CGCA behaviors, or if you have the skills and knowledge, you can teach your dog the CGCA skills yourself.

When your dog is ready, sign up for a CGCA test administered by an AKC Approved CGC Evaluator. Tests are held in the community, at AKC dog shows, at training classes, and at some pet supply stores.

When your dog passes the CGCA test, the evaluator will give you the paperwork to send to AKC to request the CGCA title certificate.

To find an evaluator near you, see:
www.akc.org/events/cgc/cgc_bystate.cfm

The AKC Community Canine testing level is all about responsible dog ownership and having a well-behaved dog in the community. Your role as a responsible dog owner begins the moment you decide to add a new dog or puppy to your family.
